Fine Portuguese Dinnerware. Serve Ware & Italian Flatware

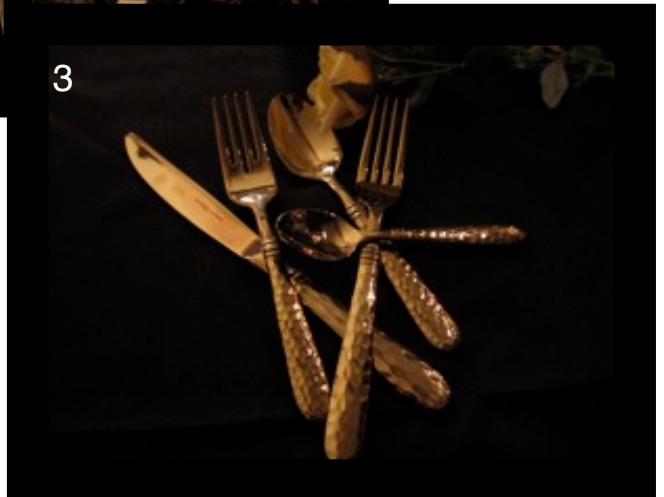

Dana and Zak selected fine, stoneware made in Portugal that is designed for everyday and elegant dining. The pattern is cream tone, oven, microwave and dishwasher safe and is as beautiful as it is durable. The flatware is handcrafted in Italy for VIETRI and is the finest quality 18/10 stainless. The selections are photographed in the evening to capture the wonderful entertaining evenings ahead. Imagine the daytime!

Brilliant and Sparkling Accents for Special Occasions

Dana and Zak selected fine aluminum serving pieces by Mariposa. This beautiful serve ware can be heated or chilled and retains it's temperature for the life of the party! Other accessories pick up on the silver and black accents that provide a sophisticated contrast to the cream dinnerware pattern.
