*Jen & Ben started their registry process
at La Bella Vita to set the tone for their entertainment style. With the best
champagne, the best of friends & family, they had fun selecting a warm,
golden toned, fine Portuguese stoneware & accent bakeware for everyday.
Jen also selected solid red and hand-painted accent pieces from Italy.
These and other heirloom pieces in fine, recycled aluminum, punctuate
her all occasion dining table. La Bella Vita is proud to present this
beautiful lifestyle statement!*
