La Bella Vita *in Historic Little Italy*

La Bella Vita's registry specializes as a source for the unique, finer gifts that are not found at specialty chain stores. Your gift from La Bella Vita will be treasured as an heirloom and handed down to the new generation to come. Our bridal registry is designed to continue to build the couple's lifestyle as the years go by. We never retire a registry! Remember this as anniversaries arrive and other special gift giving occasions.

Liz and Neil's style is an exciting, strong "nature" statement reflecting the cool tones of sky and water and the earth tones of salmon and brown. They selected very durable yet beautiful fine stoneware and accent serving pieces in patterned silver tones. This is their selection for everyday as well as special occasions that they will cherish throughout the years.

Our History

La Bella Vita translates from Italian into English as The Beautiful Life. Our boutique in Cleveland's Historic Little Italy specializes in helping customers create the vibrant colors of Italy, the passion for entertaining and generosity, and a rich, warm welcoming lifestyle in their home. La Bella Vita is not only Cleveland's largest Italian ceramic retailer, but has over 2000 square feet of decorative accessories for the home and garden as well as very unique gifts.

Thank you for choosing La Bella Vita!

Fine, Portuguese Stoneware Dinnerware and Serve Ware:

This beautiful dinnerware is handcrafted in Portugal and is as durable as it is beautiful. Liz and Neil selected this pattern for its durability, graceful pattern and the drama of the colors as it mixes with sophisticated accents in brown by VIETRI from Italy. The stoneware is oven, microwave and dishwasher safe.

Italian Accents by VIETRI & Fine, Brillante Serve Ware by Mariposa.

Rich brown serving pieces handcrafted in Italy add dramatic depth to the salmon and blue tones of Liz and Neil's stoneware. A basket weave pattern in Aluminum by Mariposa compliments the square shapes of the ceramics and pulls it all together.
