*Fine Heirlooms for Today & the Generations to Come.*

*Handcrafted in Italy... Stunning details! Tuscan artisans use traditional 13th century Montelupo techniques & enamel to create a  
low-gloss surface with depth and beauty on each handmade shape. Ornament rolls, originating from the Montelupo period  
are used to create the designs on each lightweight piece.*

*Heirloom Glassware for Today & the Generations to Come*

*Juliska glass is mouth-blown by artisans in the hills outside Prague. The unique composition of the glass (unleaded) allows  
it to be blown especially thin, making the glass an unexpected pleasure to drink from and to handle. Being handmade, no  
two pieces are identical and each piece is signed as a guarantee of its authenticity and quality.*
